

Prince Edward County

Pumpkin Growers

The PECPG or Prince Edward County pumpkin growers is one of the oldest growers' clubs in the world. First formed in 1996 by the late Bill Greer, grower of the World's first Pumpkin over 1000 lbs. The PECPG held its first weigh off in **Wellington Ontario** in the fall of 1997. The event has become a huge annual celebration showcasing giant pumpkins from across Ontario and Quebec. Our event has continued to grow and in 2011 was honoured to weigh Jim & Kelsey Bryson's 1818 World record! Check us out at: www.pecpumpkinfest.com or on Facebook at: www.facebook.com/PrinceEdwardCountyPumpkinfest

The PECPG would like to give a big thank you to Ken at BigPumpkins.com for hosting this auction. We would also like to thank all the growers who donated seeds to help with our Annual Fundraising auction. Without their generous donation, none of this would be possible. The proceeds of this auction go directly to fund the weighoff in Wellington.

Lot 47 **The Canadian Record!**

2537 Crews 22 – (2365 Wolf x 300 crews est.) + 12%
510 Crews 22 – (300 Crews est x 2365 Wolf)

The 2537 was 12% Heavy. 4th heaviest in the world in 2022. 8th heaviest all time (2022).

From Don Crews about the pollinator: "The 300 was grown from the 1002 Veitch and it was pollinated by the 1597 Hunt plant I had that wouldn't set a fruit. Honestly, I don't know what it weighed. I just looked at it and said 300. It was turning out to be beautiful and then it blossom split at 30 days. When I pollinated the 2365 it wasn't in my mind that it would hit 2537. Lol I was thinking a big orange cross."
